So are all the contagion lies. All microbes have a job to do to help you by cleaning up toxins and metals in your body. That includes the so-called "parasites" that also are cleaning up the mess. So many people blame parasites for health problems so they don't have to take responsibility for their own health. Exosomes also have no evidence for their

Took you long enough to address this!

Dr Stefan Lanka proved this in Germain supreme court

Dr Sam and Mark Bailey wrote a "book" on this during Covid
